- Apply now to be a Promise Fellow with Minnesota Alliance With Youth! We are excited to be a host site for this incredible program. What does a Promise Fellow do? Each Fellow spends a school year, summer or all year long helping a small group of Minnesota students in grades 6-12 get the support they need to thrive in school and start off strong in life. Much more than a tutor, Promise Fellows work one-on-one with students in the areas of attendance, engagement and course performance, fostering students' unique talents and honoring their voices. Apply now and play a central role in preparing students for graduation and beyond: <https://mnyouth.net/ameriCorps/join-the-corps/the-pf-experience/>.
