

Promise Fellow Alumni Ambassador Program

The Alliance invites former Promise Fellows who have successfully completed their year(s) of AmeriCorps service and would like to share their experiences to become Promise Fellow Alumni Ambassador. We have created a program for interested and enthusiastic alums to help us promote the Promise Fellow program in communities across the state, focusing on areas outside of the Twin Cities. We know that our greatest advocates are those who have given their time to serve as Promise Fellows and have their own unique experiences, rewards, and challenges to share with and inspire others. If this sounds like something you would like to do, we would love to have you become a Promise Fellow Alumni Ambassador.

To be part of the program, please complete at least **three** of the activities below to promote the Promise Fellow program in your community and with your professional, academic and social groups. At least two activities should take reach those living outside the Twin Cities metro region. Contact us if you need any materials – we are happy to support your participation! Let us know what you’ve done by completing the attached form and including a photo or screenshot of each activity.

- Write an article about your Promise Fellow experience for your local town or school newspaper
- Table at a relevant event or fair to promote the Promise Fellow Program
- Host an info session about your Promise Fellow experience at your local library or community center
- Make a presentation to your local Rotary Club or other service organization
- Share the application info and your own experience on Facebook, LinkedIn, Twitter, etc.
- Share Promise Fellow materials and your story with your college career services office
- Attend a recruitment fair, assist with the Program Fellow table and speak with potential applicants
- Post Promise Fellow recruitment materials and postcards in gathering places (grocery store, gym, coffee shops, etc.) around your town or community
- Another activity promoting Promise Fellow work in your community (we’re open to suggestions!)

Complete the PF Alumni Ambassador Program form (page 2) and return it to the Alliance at recruitment@mnyouth.net.

Upon submission of the completed form, accompanied by photos of your activities, we’ll send you a check for \$100. (Cap at 20)
